

IAAPA PUBLIC AFFAIRS UPDATE

Hurricane Ian continues to strengthen into a major storm that will impact a large portion of Florida. We are reaching out to let you know about a daily federal conference call that will share updates from the Federal Emergency Management Agency (FEMA) and the Cybersecurity and Infrastructure Security Agency (CISA). Call-in information is listed below. The call will take place daily at 3pm EST using the same call-in information everyday. Updates will go out if anything changes.

Also please be aware that our partners at the Florida Attractions Association maintain an [emergency resources page](#) to help prepare and recover from these storms.

Stay safe and do not hesitate to reach out to IAAPA Public Affairs to get connected with appropriate federal or state staff for necessary recovery resources.

Thank you,

Zach Stokes
Public Affairs Manager
