SHOW POWER

- Exhibitors / Contractors are required to order mains electrical supply for the show days.
- Mains power supply will only be activated and energized on the last day of the build-up.
- Mains power supply must be switched off every day at the end of every show, unless otherwise a 24-HR continuous power has been ordered.
- If mains power is required during the build-up for testing, a surcharge of 30% based on the power supply ordered will be imposed.
- In the case the power has not been switched off, a surcharge of 30% based on the overall power consumption ordered will be imposed.

Mains power supply does not come with a Distribution Board; it should be provided by the Exhibitor / Contractor OR ordered through GES.
